MEMORANDUM FOR: Acting Deputy Director(Support)

SUBJECT: Nomination of Support Services Personnel to
Senior Defense Colleges and Advanced Management
Program.

1. It is recommended that Mr. [] be nominated for
the Armed Forces Staff College Course beginning August 1957. Mr.
[] will complete three years overseas duty as [] in
the Summer of 1957. He is considered ideally qualified to represent the
Agency in such outside training.

2. I am unable to make suitable nominations for the other courses
listed in your Memorandum, DD/S 56-3390, for the next year. The number
of personnel whom I would consider suitable candidates for these external
courses is sufficiently small that I believe the objectives of the Training
Program and the requirements for operation of the Office of Communications
can best be met by the nomination of but one senior officer per year.
